ABOUT

I have been working as Storyboard Artist since 2021 in Brazil for various clients. I have experience in 2D and 3D series, 3D feature films, as well as advertising (both live-action and animation). Recent graduate of the Master program and Character Animation and Animated Filmmaking at GOBELINS Paris, where I co-directed the film "While Watching Whales". I am really passionate about writing and emotional storytelling, and I am ready to adapt to the needs of any project.
